

Laboratory Update

We've Added the VIDAS!

Multiparametric Immuno-Analyzer for Pathogen Testing

Purity Laboratories takes pride in announcing our new pathogen testing capability with VIDAS.

Effective June 3rd, 2019 the following tests will be replaced with our new VIDAS methods:

Test Code Description

MI020 Listeria spp. (VIP)
MI026 Salmonella (VIP)
MI012 E. coli O157:H7 (VIP)

**Replaced
with**

Test Code Description

MI060 Listeria spp. (VIDAS)
MI061 Salmonella (VIDAS)
MI062 E. coli O157:H7 (VIDAS)

EXTREMELY FAST

- E. coli O157:H7 (3 Day Standard and next day Rush)
- Listeria spp. (3 Day Standard and next day Rush)
- Listeria monocytogenes (3 Day Standard and next day Rush)
- Salmonella (3 Day Standard and next day Rush)

EXTREMELY ACCURATE

More than 100 scientific publications demonstrate a wide range of pathogen testing that the VIDAS can perform with accurate results. The VIDAS also has more than 40 validations including ISO 16140, AOAC RI and OMA, Health Canada, and BAM/MLG.

✓ **30% faster turnaround**

✓ **Less false positive**
